

LIST OF PRODUCTS

WATERPROOFING

K-210	Krystol T1	Concrete waterproofing compound
K-220	Krystol T2	Concrete waterproofing compound
K-315	Krystol Bari-cote	Waterproof grout
K-620	Krystol Plug	Rapid setting waterstop

ADMIXTURES

K-300	KIM	Concrete waterproofing admixture
K-310	Krystol Accelerator	Concrete set accelerator
K-610	Krystol Plasticizer	Concrete plasticizer

SEALERS & CURING AGENTS

K-430	Krystol Epox-5	Epoxy primer
K-480	Krystol Epox-15	Water-based epoxy primer
K-747	Krystol CM	Water-based cure & seal
K-748	Krystol CLR	Acrylic cure & seal
K-750	Krystolseal	Water-based clear acrylic sealer
K-751/2	Krystol Sealer-Stain	Colored sealer for wood & concrete
K-760	Krystolsheen	Clear glossy acrylic sealer
K-765/6	Krystol Silane	10% and 40% Silane sealers
K-767	Krystol S.C.O.R.E	Water repellent sealer for concrete
K-770	Krystol Hydrostop	Water repellent sealer for concrete
K-790	Krystol Breakaway	Environment friendly form release

GROUTS

K-410	Krystol Epox-1	High-strength epoxy grout
K-455	Krystol Epox-10	Non-sag epoxy patching compound
K-510	Krystol Grout 500	High-strength cement grout
K-511	Krystol Plasti-Patch	Bonded cement patching compound
K-520	Krystol Grout 700	Economical cement grout

BONDING AGENTS

K-420	Krystol Epox-3	Epoxy bonding agent
K-710	Krystolbond	Pure acrylic bonding agent

FLOOR PRODUCTS

K-415	Krystol Epox-2	Flexible epoxy crack filler
K-416	Krystol Epox-2C	Low viscosity injection epoxy
K-435	Krystol Epox-6	Self-leveling epoxy floor coating
K-445	Krystol Epox-8	Epoxy-stone overlay
K-650	Krystol Floor Hardener	Concrete binder and dustproofers
K-820	Vikadeck 13-330	Clear urethane floor coating
K-822	Vikadeck Primer	Urethane primer for Vikadeck
K-823	Vikadeck 13-340	Two-part aromatic urethane coating
K-824	Vikadeck 13-320	Two-part aliphatic urethane coating
K-822/3/4	Vikadeck Floor System	High-performance industrial floor coating
K-942/3	Deck-Gard 21	Non-skid coating system for plywood decks
K-945	Tuf-Trac	Non-skid coating for concrete and asphalt

ROOFING PRODUCTS

K-948	Roof-Gard	Elastomeric coating for low slope applications
K-955	K-Roof	Fiber reinforced cold applied roofing
K-957	K-Roof Primer	Primer / damp proofing / undercoating
K-960	K-Patch	Fiber reinforced cold applied roof patch
K-965	Mobile Home Roof Coating	Elastomeric coating for RV roofs

DECORATIVE COATINGS

K-450	Krystol Epox-9	Epoxy coating for walls and pools
K-925	CR Super Paint	High-hide one coat paint
K-931	Surface Conditioner	Clear water-based acrylic primer
K-935	Metal Conditioner	Clear alkyd primer
K-946	Vinylstic	Fiber reinforced exterior coating
K-947	Wall-Gard	Elastomeric exterior coating
K-966/7/8	Multi-Gard / Thermalcoat	Exterior coating system / Insulated coating

PROTECTIVE COATINGS

K-440	Krystol Epox-7	Coal-tar epoxy coating
K-460	Krystol Epox-11	High temperature epoxy coating
K-715	Krystol Firestop	Clear fire-retardant treatment
K-815	Vikacoat	Liquid plastic coating
K-816	Vikacoat 816	Graffiti resistant coating
K-830	Vikamap	Metal anti-corrosion protection
K-845	Vikaprim	Zinc primer for metal
K-855	Vikashield FR	Fire resistant latex paint
K-968	Thermal-Coat 320	Insulated urethane coating

SOLVENTS & CLEANERS

K-341	Krystol ABC	Advanced brick cleaner
K-345	Dark Masonry Cleaner	Heavy-duty cleaner for dark or red brick
K-346	Light Masonry Cleaner	Heavy-duty cleaner for light colored brick
K-348	Krystol V-Cleaner	For vanadium or magnesium containing brick
K-725	Krystolklean 725	Concentrated dirt moss and fungus remover
K-726	Krystolklean 726	Solvent type grease and oil remover
K-727	Krystolklean 777	Emulsifying grease and oil remover
K-780	Krystol Eliminator	Citrus based cleaner and stain remover
K-795	Stamped Concrete Cleaner	For cleaning concrete and stamping tools
K-818	VikaGel Graffiti Remover	Environment friendly paint remover
K-840	Vika Oxy-Off	Calcium lime rust and oxidization remover
K-860	Vikasol	Specialized solvent and reducer
K-865	Vikastrip	Industrial strength paint and varnish remover
K-870	RMS Solvent	Specialized solvent and reducer

RESTORATION PRODUCTS

K-350	Krystol Decorseal	Decorative cementitious coating
K-630	Krystol Poly Top Mortar	Bonded topping mix
K-640	Krystol Poolseal	Decorative cementitious coating

HEAT INSULATION PRODUCTS

A-TF-ES	Thermo-Foil-ES	95% Heat Reflecting Membrane System (An extra strong HRM with 145 micron cross-laminated polyethylene core)
A-TFT	Thermo-Foil-Tape	High strength waterproof acrylic adhesive tape

KUT PLAST 210	A normal water reducing admixture
KUT PLAST 220	A water Reducing and Retarding Concrete Admixture for general use.
KUT PLAST R	Water Reducing and Retarding Admixture
KUT PLAST NA/EDS	Superplasticising, water reducing and Strength Accelerating Concrete admixture.
KUT PLAST RNA	Superplasticising, water reducing and Retarding Admixture.
KUT PLAST 271	High performance, water Reducing and Strength Accelerating Concrete Admixture.
KUT PLAST MF	Superplasticising, water reducing, Strength Accelerating Admixture.
KUT PLAST AEA	Air Entraining Admixture for Concrete.
KUT PLAST IWP	Integral Waterproofing Admixture.
KUT PLAST RSP	Superplasticising, retarding and High range Water reducing Admixture.
KUT PLAST 226	High range water reducing and Retarding admixture.
KUT PLAST SP 100	Superplasticising, High range water reducing Admixture
KUT PLAST LWC	Foaming agent for lightweight concrete.
KUT PLAST SP 200	Superplasticising, water reducing, strength accelerating Admixture
KUT PLAST UW	Admixture for under water concrete.
KUT PLAST WP1	Waterproofing Admixture for paving blocks, tiles and bricks.
KUT FLOW GROUT	High fluid grout.
KUT EPOXYGROUTS	Solvent less free-flow epoxy grouts Grade-EPLV for gap width 0.3 to 10mm Grade-EPS for gap width 8 to 40mm Grade-EPL for gap width 30 to 70mm
KUT GP GROUT	Non-shrink general-purpose grout.
KUT EPOXYANCHOR	Solvent less epoxy resin based Anchor Grade-NS is for non-sag applications Grade-P is for pourable applications.
KUT NON SHRINK PUMPING GROUT	Non-shrink cementitious pre-mixed pumping grout.
KUT EPOXY GROUT NO.4	Non-shrink Free Flow Epoxy Grout.
KUT SUPER GROUT	High strength High fluid grout.
KUT INJECTOPOX	Epoxy resin based low viscosity crack injection system.

KUT INJECTOTHANE 100	Polyurethane based flexible low viscosity crack injection system
KUT CP ANODE GROUT	Grout for cathodic protection
KUT EPOXY GROUT NO.4-BLUE	Non-shrink free flow epoxy grout
KUT EPOXY GROUT No. 4 BLACK	Non-shrink free flow epoxy grout
KUT EPOXY GROUT No. 4 RED	Heavy-duty epoxy grout.
KUT CURE-P	Acrylic polymer based curing membrane for concrete.
KUTCURE WB	Water based concrete curing compound.
KUT CRETETARD TF	Top face surface retarder.
KUT CRETETARD MF	Mould face surface retarder.
KUT FLOWCRETE	Non-shrink high performance fluid repair micro concrete.
KUT OVERHEAD MORTAR	Cementitious High build repair Mortar.
KUT AQUA FLOWSTOP	Polymer cement waterproofing slurry
KUT AQUA FILLPLUG	Rapid setting water sealing mortar
KUT FILLET PAK	Two-component polymer modified cementitious fillet Packing and general-purpose repair mortar.
KUT SUPERCOAT No. 1	One component polymer modified general-purpose cementitious repair mortar.
KUT SUPERCOAT No. 2	One component polymer modified cementitious repair mortar.
KUT FAIRINGCOAT	One component polymer modified fairing or leveling Coat.
KUT RENCON 'S'	One component polymer modified cementitious structural repair mortar.
KUT FASTCRETE	Fast setting cement based patching material
KUT EPOXYMORTAR-GP	General-purpose epoxy resin mortar.
KUT EPOXYMORTAR-HB	High build epoxy resin mortar.
KUT EPOXYMORTAR-SP	Solvent free epoxy lining and benching mortar.
KUT EPOXYMORTAR-FC	Epoxy based fairing coat.
KUT SHAKETOP	A natural aggregate based shake-on floor hardener.
KUT EMERY TOP	Emery based shake-on floor hardener.
KUT FLOOR COATING GP	A chemical and abrasion resistant coating for walls, Ceiling and floors.

KUT FLOOR SL	A self-leveling epoxy resin based floor topping.
KUT FLOOR HD	A heavy-duty epoxy resin based floor screed for industrial use.
KUT FLOOR UNDERLAY	A one component cementitious self-leveling floor underlay.
KUT FLOOR SEAL No. 1	A liquid form chemical floor hardener, dust proofer and Penetrating sealer for concrete floors.
KUT FLOW TOP	A Cementitious self-leveling traffic grade floor topping.
KUT TILE MORTAR	An acrylic polymer based cementitious tile fixing mortar.
KUT TILE GROUT	An acrylic polymer based cementitious tile grout.
KUT FLEXI	A special polymer of cementitious mortar and renders.
KUT POLYFIX	A general-purpose synthetic rubber latex emulsion for cementitious mortar.
KUT SBR No. 1	A high concentration SBR copolymer.
KUT BOND (PVA)	Polyvinyl Acetate based bonding agent and cement improver.
KUT EPOXY BONDER "OTN"	An epoxy resin based bonding agent for old concrete to new freshly laid concrete.
KUT EPOXY TILE GROUT	A high performance, water-wipe able epoxy resin based tile adhesive and grout.
KUT BOND TN	Epoxy resin based old to new concrete bonder
KUT SOFFIT PRIMER	A specially developed acrylic terpolymer based primer for KUT OVERHEAD MORTAR.
KUT EPOXYPRIMER "N"	A solvent less epoxy resin based primer for dry substrates.
KUT EPOXY PRIMER "W"	A solvent less epoxy resin based primer for damp substrates.
KUT EPOXY PRIMER "C"	A solvent less epoxy resin based primer for floors and coating products.
KUT AQUAPROOF MEMBRANE	A brushable water proofing membrane consisting of dry powder, a liquid polymer and a special fiber mesh.
KUT EPOXY COATING "EWB"	A Water dispersed epoxy resin based non-toxic coating and sealer.
KUT EPOXYCOATING "SWP"	A solvent free epoxy resin based coating for Waterproofing in tanking situations such as swimming pools.
KUT STABILISER	A masonry stabilizer for all friable and porous substrates.
KUT FLEXIBOND	High solids acrylic latex for cementitious mortars and as Primer for KUT SUPERCOAT No. 1 and KUT BENCON "S"

KUT AQUASHIELD	Primer for KUT SUPERCOAT No. 1 and KUT RENCON "S"
KUT EPOXY COATING UW	A brush applied electrometric-waterproofing membrane.
KUT ROOFLEX	A under water epoxy coating system.
KUT EPOXY COATING SFI	Acrylic roof coating.
KUT TAR EPOXY COATING HS	A solvent free epoxy coating.
KUT THIOSEAL 227	A high solid coal tar epoxy coating.
KUT THIOSEAL 2000	Two-component GUN and POURING Grade Polysulfide sealant.
KUT MOULD RELEASE 'SB'	Heavy duty joint sealant
KUT ACID ETCH	A solvent based form release agent.
KUT SOLVENT EP	An acid based etching compound containing corrosion Inhibitors.
KUT MULTIFIX-EP	A high strength solvent for cleaning especially for Epoxy Systems.
KUT BOND-EP	A solvent less epoxy resin based multipurpose adhesive.
KUT GEL EP	A solvent free epoxy resin based bonding agent.
KUT SOLVENT PS	A multi purpose epoxy resin based Gel.
KUT MOULD RELEASE 'WB'	A cleaning solvent for Polysulfide System and diluents for Polyurethane Systems.
	A water based mould release agent.
